EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ross Dannenberg (Reg. No. 49, 024) on 7/18/2005.

2. The application has been amended as follows:

- a. In claim 50, after "in response to detecting matches" (Line 11), **add**
", wherein the receiving computer further comprises computer instructions that extract as the discriminator value an Internet Protocol address from a header portion of each data packet"
- b. **Cancel** claim 51.

3. The following is an examiner's statement of reasons for allowance:

4. With regard to claim 1, the prior art of record does not disclose a method as claimed, and as enabled by the specification, comprising embedding in a header of a plurality of data packets a network address that *periodically changes between successive data packets* and transmitting the data packets to a second computer and,

Art Unit: 2153

for each received packet comparing the network address to a *moving window of valid network addresses* and, in response to detecting a match within the moving window, accepting the received data packet, and otherwise rejecting the received data packet.

5. With regard to claim 20, the prior art of record does not disclose a method as claimed, and as enabled by the specification, comprising for each of a plurality of data packets, randomly selecting one of the plurality of physical transmission paths through a plurality of computers, and selecting a next pair of source and destination network addresses generated from an algorithm that generates a *plurality of pairs* of source and destination network addresses each associated with *the one* randomly selected physical transmission path.

6. Claims 23,45, and 50 recite limitations similar to those recited by claim 1.

7. Claim 42 recites limitations similar to those recited by claim 20.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
